

Santa's Holiday Cottage

The Bluffview PTO is once again sponsoring Santa's Cottage. Santa's Cottage allows our students an opportunity to purchase holiday gifts for family members and friends. Our elves have been busy making arrangements and preparing our workshop. PTO members will be there to help students shop during their "Specials" time. Gifts range from .50 to \$10 with the majority of gifts being \$4 and under.

When: Monday, Dec. 11th & Tuesday, Dec. 12th

Where: Bluffview Cafeteria during "Specials"

If you wish for your child to participate in Santa's Cottage, please fill out the bottom portion of this flyer and send in a sealed envelope along with money (cash only) on either December 11th or December 12th. Having this form filled out will make your child's shopping experience much smoother. Please make sure the student's name and their teacher's name is clearly listed on the outside of the envelope.

_____ 's Shopping List _____ Total \$ to Spend

For each person, please put a target amount of money you would like the student to spend on each person. We will "try" to use this as a guide to direct your child's shopping.
