

Dupo Community School District has purchased the rights to **eScholarships USA** as another tool for our students to access scholarships for post-high school education.

This is strictly for Dupo 196 students and scholarships are updated regularly. Please feel free to check the website often for new listings.

To obtain the username and password, please have your student come by the guidance office or call 618-286-3214, ext. 2113.
