

Dupo Senior High School - Kajeet

Acknowledgement of Receipt and Terms of Loan

Dupo Senior High School realizes the need for internet access for students while outside of school to complete their coursework and access curricular materials online. Our district mission is to provide exceptional educational services and because of this we have partnered with AT&T and Kajeet to make portable Internet hotspots available for our students to borrow from the high school library.

By signing this agreement you are accepting responsibility for this equipment while it is in your child's possession. We hope this tool enables your child to access their assignments and materials as needed for success while away from the school network.
