

Dupo CUSD 196

Remote Learning Attendance Tip Sheet

- Students or Parents must log into TeacherEase every Remote Learning day **between 6:00am and 9:00am**. When you do, a window will pop up asking if you are ready to check-in.
- Students should either click the link in Clever to access www.teacherease.com or simply navigate to that website. **Students should “Log in With Google.”**
- Parents can use their own login credentials on their own device to log into www.teacherease.com.
- Please note, the iOS and Android mobile apps do not have the E-Learning Check-in feature. You can still use your mobile device to check in for attendance, but you must log in through your Safari or Chrome mobile web browser at www.teacherease.com.

- If you log into TeacherEase after 9:00am the E-Learning Check-In feature will not pop up. You will need to call the office to have the secretary mark you as Tardy.
- If you are scheduled to be In-Person Learning, but are home for the day for whatever reason, the E-Learning Check-In feature will not pop up. The office will need to manually mark your attendance.

If you are continuing to have technical difficulties, please contact Mr. Treece at 618-286-3311 ext 3312 or mtreece@dupo196.org and he will walk you through the process. Mr. Treece will only help with technical issues, not late check-ins.
